Dear Resident,

Proposed 20mph Zone: Aylestone Park

Leicester City Council is proposing to introduce a 20mph zone in Aylestone Park. This is part of our commitment to improve road safety and encourage walking and cycling near to schools and in residential areas.

Currently, the speed limit on these streets is 30mph and it is proposed to reduce this to 20mph. Leicester City Council is proposing to install traffic calming on Duncan Road & Milligan Road where speed surveys have shown speeding issues and a history of recorded personal injury collisions. A continuous footway raised table has also been proposed on Duncan Road. No traffic calming is proposed on other roads in the area. The proposals are shown on the maps enclosed with this letter. Further information is available over the page.

Future proposals are also being developed to improve road safety for pedestrians and cyclists in the area, as well as a programme to resurface a section of Aylestone Rd. Details of these proposals will be published in due course.

The Council would like to hear your views on these matters.

A response form is included with this letter. Please send this back in the envelope provided by Monday 13th April 2026 (no stamp is required). The response form can also be filled in on-line at <http://consultations.leicester.gov.uk/>

Your response will be included in a report on the proposals which goes to the City Mayor who will decide whether to go ahead with the proposed changes or not. If you live in the city and would like to talk with your Ward Councillors about this, please contact:

If you live in the city and would like to talk with your Ward Councillors about this, please contact:
