Dear Occupier,

BRAUNSTONE ESTATE SOUTH AREA - PROPOSED 20MPH ZONE.

Leicester City Council is proposing to introduce a 20mph Zone in the Braunstone Estate South Area. This is part of our commitment to improve road safety and encourage walking and cycling near to schools and in residential areas.

At the moment, the speed limit on these streets is 30 miles per hour and it is proposed to reduce this to 20 miles per hour. Leicester City Council is also proposing to install traffic calming on Braunstone Avenue, Waltham Avenue, Gooding Avenue and Hallam Crescent East where speed surveys have shown speeding issues. It is anticipated the proposals will reduce the number and severity of collisions, especially to child pedestrians. The proposals are shown on the maps enclosed with this letter.

The Council would like to hear your views on these matters.

A response form is included with this letter. Please send this back in the envelope provided by 23rd February 2026 (no stamp is required). The response form can also be filled in on-line at <http://consultations.leicester.gov.uk/>

Your response will be included in a report on the proposals which goes to the City Mayor who will decide whether to go ahead with the proposed changes or not.

If you live in the city and want to talk with your Ward Councillors about the proposals, please contact:

BRAUNSTONE PARK AND ROWLEY FIELDS
