Dear Occupier,

## **EVINGTON VALLEY AREA - PROPOSED 20MPH ZONE**

Leicester City Council is proposing to introduce a 20mph zone in the area of Evington Valley. This is part of our commitment to improve road safety and encourage walking and cycling near to schools and in residential areas.

At the moment, the speed limit on these streets is 30 miles per hour and it is proposed to reduce this to 20 miles per hour. Leicester City Council is proposing to install traffic calming on Ethel Road, Evington Drive and Evington Valley Road where speed surveys have shown speeding issues. No traffic calming measures are currently proposed on the other roads in the area. The proposals are shown on the maps enclosed with this letter. Further information is available over the page.

The Council would like to hear your views on these matters.

A response form is included with this letter. Please send this back in the envelope provided by Monday 20<sup>th</sup> May 2024 (no stamp is required). The response form can also be filled in on-line at <http://consultations.leicester.gov.uk/>

Your response will be included in a report on the proposals which goes to the City Mayor who will decide whether to go ahead with the proposed changes or not. If you live in the city and would like to talk with your Ward Councillors about this, please contact:
