Dear Occupier,

ST THOMAS MORE SCHOOL AREA – PROPOSED 20MPH ZONE

Leicester City Council is proposing to introduce a 20mph Zone in the St Thomas More School area. This is part of our commitment to improve road safety and encourage walking and cycling near to schools and in residential areas.

It is proposed to reduce the speed limit on the roads in this area to 20 miles per hour. It is also proposed to install traffic calming on Knighton Road and Ratcliffe Road because vehicle speeds on these roads are currently too high for a 20mph speed limit. No traffic calming is proposed on the other roads in the area. The proposals are shown on the maps enclosed with this letter.

The Council would like to hear your views. A response form has been included with this letter so please complete and return this in the envelope provided by the 22nd August 2025 (no stamp is required). The response form can also be filled in on-line at <http://consultations.leicester.gov.uk/>

The responses will be included in a report which goes to the City Mayor to decide if the proposed changes should go ahead.
