Dear Occupier,

FOLVILLE JUNIOR SCHOOL AREA – PROPOSED 20MPH ZONE.

Leicester City Council is proposing to introduce a 20MPH Zone in the area around Folville Junior School. This proposal involves changing the speed limit to 20 miles per hour and the installation of two speed cushions on Waltham Avenue.

At the moment, the speed limit on these streets is 30 miles per hour and the Council is proposing to reduce this to 20 miles per hour in order to improve road safety. In order to help reduce speeds down to 20mph, it is proposed to install two sets of speed cushions on Waltham Avenue where existing average speeds will present an enforcement problem for the Chief Constable. The proposals are shown on the two maps enclosed with this letter. If you would like further information please see over the page.

The Council would like to hear your views on these matters.

A response form is included with this letter. Please send this back in the envelope provided by Monday 23rd November 2015 (no stamp is required). The response form can also be filled in on-line at <http://consultations.leicester.gov.uk/>

Your response will be included in a report on the proposals which goes to the City Mayor who will decide to go ahead with the proposed changes or not.
