

Changing neighbourhood services in your area

North east area:

Belgrave, Humberstone & Hamilton,
Rushey Mead, Thurncourt and Troon

Your local services are
going to change.

leicester.gov.uk/tns

Why are services changing?

- Significant cuts in government funding mean we cannot continue to run services as we do now.
- We want to work with communities to make changes now, before it becomes critical.
- We are reviewing how neighbourhood services are run to make sure that they are affordable and can respond to local people's needs.
- Leicester City Council is committed to providing high quality neighbourhood services.

How do we make changes?

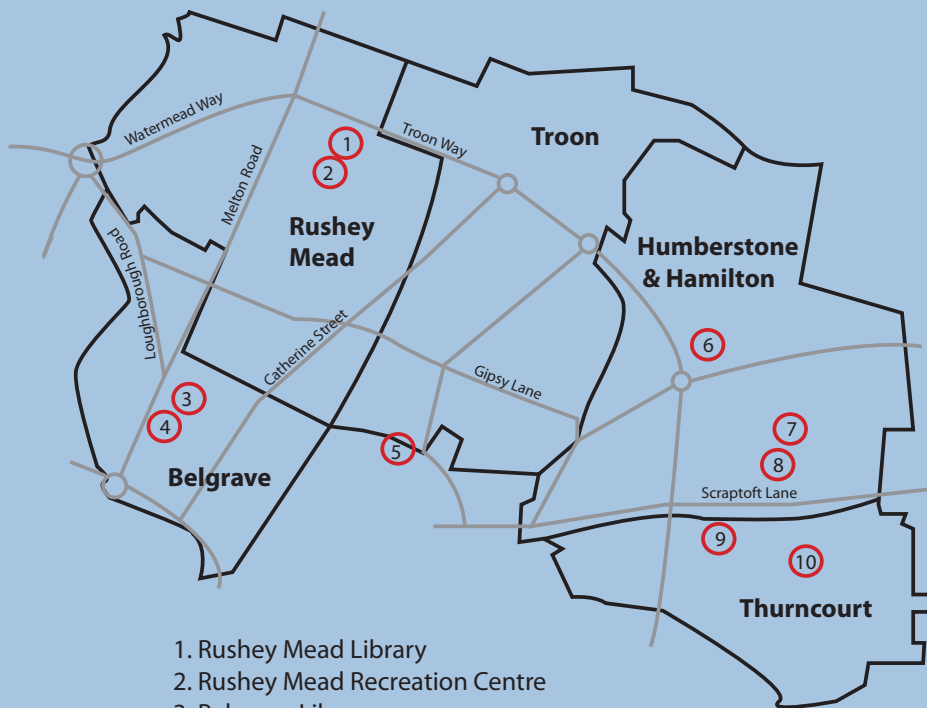

We will be working with local people and community organisations to look at the best way to deliver services in future.

Options

- Reducing the number of buildings we operate from
- Merging services into shared buildings: this has led to investment in modern facilities, better access and longer opening hours
- Involving local people and groups in running some services
- Self-service facilities

See the back of this leaflet for a map showing the area and buildings we are talking about.
