

Proposals for Southfields Drive Sports Centre (TNS)

Overview

As part of the Transforming Neighbourhoods Services programme we had previously consulted with local people in the south area of the city to find out what they wanted from their services. Resulting from the consultation a decision was made to withdraw from Southfields Community Centre and relocate activity to the nearby Pork Pie Library and Community Centre.

We now want to consult with local residents on proposals to withdraw from Southfields Drive Sports Hall, and in doing so, to assist existing users to relocate to other facilities suitable for their needs. Following withdrawal from the site we want explore further options for the future of the site.
