# Changing neighbourhood services in your area

North west: Abbey, Beaumont Leys and New Parks

Your local services are going to change. We want to work with you to make these services fit for the future.

Leicester City Council

## Why are services changing?

- Significant cuts in government funding mean we cannot continue to run services as we do now.
- We want to work with communities to make changes now, before it becomes critical.
- We are reviewing how neighbourhood services are run to make sure that they are affordable and can respond to local people's needs.
- Leicester City Council is committed to providing high quality neighbourhood services.

## How do we make changes?

We will be working with local people and community organisations to look at the best way to deliver services in future.

## Options

- Reducing the number of buildings we operate from
- Merging services into shared buildings: this has worked well elsewhere in Leicester and has led to longer opening hours
- Involving local people and groups in running some services
- Self-service facilities

See the back of this leaflet for a map showing the area and buildings we are talking about.

## How you can get involved

We are inviting the local community to find out more about this programme and make suggestions for the North West area by 19 December 2014.

1. Come to a focus group. Ask staff in your local centre for details.
2. Submit your views online: **leicester.gov.uk/tns**  
**or**
3. Fill out the form on the back of this leaflet.

## What happens next?

We will consider all the ideas that people put forward and then hold a public meeting to feed back with proposals for change in the area. This will form part of a full public consultation in 2015.

If you have any questions please email **tns@leicester.gov.uk**
