# MADANI GIRLS SCHOOL, LEICESTER

# **DRAFT ADMISSION POLICY 2014/2015**

### Statement of ethos

- 1. Madani Girls School was founded by the Leicester Islamic Academy Trust. As an Islamic school, we aim to provide education for all pupils in an Islamic environment where Islamic doctrine and practice permeates every aspect of the school's activity.
- 2. We ask all parents applying for a place here to respect this ethos and its importance to the school community. This does not affect the right of parents who are not of the faith of this school to apply for and be considered for a place here.

### Making an application

- 3. The school is a voluntary aided school for girls and the governing body has responsibility for admissions to the school. We intend to admit 60 pupils to Year 7 in the school year which begins in September 2014. Places will be allocated solely on the oversubscription criteria. The admission number includes children with statements of special educational needs whose statement names the school. The school follows the system operated by the local authority for admitting pupils with statements naming the school.
- 4. The school takes part in the co-ordinated admission arrangements of Leicester City Council. In addition to completing the local authority's Common Application Form a Madani Girls School Supplementary Information Form should be completed by parents/ carers who wish to apply under the criteria for Muslim applicants. The Common Application Form should be returned to Leicester City Council following their standard systems and the Supplementary Information Form should be returned to the School.
- 5. Completion of a Supplementary Information Form is not mandatory but if one is not received the governors will be unable to apply the faith based admission criteria to the applicant. The Supplementary Information Form can be obtained from the school office or can be downloaded from the school's website or the Local Authority website. The form must be completed and signed by the parent / carer and the Imam from the child's or family's Mosque and returned to the school by no later than the last day for submitting the Common Application Form to Leicester City Council. The form is not valid unless signed by the parent / carer and the Imam.
- 6. Where the applicant has recently moved house, the Supplementary Information Form can be filled in by an Imam at the Mosque they previously attended.
- 7. The Common Application Form should be returned to Leicester City Council by the date specified by the local authority.

- 8. An application <u>under the faith based admission criteria</u> is only made if the school receives the Supplementary Information Form <u>and</u> the local authority receives the Common Application Form on or before the specified date. Applications received in whole or in part after this date will only be considered for admission <u>under the faith based criteria</u> after the initial offer date.
- 9. Offers will be made at the same time as other secondary school offers in Leicester. If parents or carers reject an offer of a school place, that place will be re-allocated according to the school's admissions criteria.
- 10. Unsuccessful applicants will if they wish, be placed on a waiting list and if a place becomes available at the school it will be offered to the child in the first position on the waiting list who best meets the published admission criterion for the school. The request to be added to the waiting list must be made in writing to the school office. The list will be maintained until 31 December following the admission of year 7.
- 11. Unsuccessful applicants wishing to appeal against the decision may obtain a Notice of Appeal form from the school office. Parents / carers are asked to return the appeal form to the school office within 3 weeks or 10 school days, whichever is longer, of the refusal of the place.
- 12. Where applicants have a statement of special educational needs their parents / carers should contact the local authority in respect of the school to be named on the statement.
- 13. Mid Year Admissions: Applications can be made at any time (subject to regulations in the Admissions Code about multiple applications for the same year) and applicants must apply through the Local Authority as well as complete a Supplementary Information Form. There is an appeals procedure if it has not been possible to offer a place at that time. This should be initiated in writing to the school office within 3 weeks or 10 school days, whichever is longer, of the refusal of the place.

### **Definitions of words**

- 14. "employed' shall mean an individual who has entered into or works under the terms of a contract of employment, whether such contract is expressly agreed (in writing or orally) or is implied by the nature of the relationship."
- 15. "Home" means the place where the child lives with their parents or carer. If a child lives at more than one address it means the place where the child spends the most nights during the school week. It does not include the homes of grand-parents or aunts / uncles unless the families live together as a stable long-term arrangement. Proof of residence is required before the offer of a place is confirmed i.e. a Council Tax bill or such proof as will be stipulated.

- 16. "Looked after children" has the same meaning as in s.22 of the Children's Act 1989.
- 17. "Meet the religious practice test" means someone who has submitted a Supplementary Information Form confirming that they practice as set out in that form (i.e. with "yes" answered to all questions) and signed by a parent / carer and Imam. Any "no" answer on the Supplementary Information Form would mean that the application will be treated as a non-faith application.
- 18. "Sibling" includes brothers and sisters, adopted brothers and sisters, half brothers and sisters, fostered brothers and sisters and step brothers and sisters. In all cases the siblings must be living at the same address as the sibling who attends the school and as the relevant parent / carer. Siblings does not include cousins or any other relatives.
- 19. "Proximity" and "distance". Priority will be given to the children who live closest to the school. Distance will be measured on a straight line basis using Leicester City Councils geographical information system measuring from the GEOCODE reference point for the child's home address to the GEOCODE reference point for the school.

#### **Accurate Information**

20. The school will take such action as it can if information provided to it or the local authority is found to be wrong or misleading. This may include withdrawing the child's place at the school. Parents / carers should therefore provide full and accurate information and notify the school of any change of address or circumstances.

#### **Over-subscription criteria**

- 21. If 60 or fewer applications (including those of statemented children) are received, all those applying will be offered places.
- 22. In the event of the number of applications exceeding the number of places, the following criteria will be applied in the order set out below.
  - a. Looked after Muslim children and previously looked after children who meet the religious practice test.
  - b. Muslim children who meet the religious practice test and who have a sibling in either the school or the co-located boys school or who is due to be attending the school or the co-located boys school at the proposed date of admission of the applicant.
  - c. Muslim children who meet the religious practice test and who have a parent employed at the school or the co-located boys school for two or more years at the time of the application for admission to the school is made.'
  - d. Muslim children who meet the religious practice test.

- e. Any other looked after children or previously looked after children.
- f. Children of other faiths whose application is supported by a minister of religion who confirms that the child regularly practises that faith. An original supporting letter from a minister of religion will be required.
- g. Any other children.
- 23. If the number of applicants in any category exceeds the number of places available, places will be offered according to the distance of the child's home from the main school gate and those living closer to the school will be offered places before those living further away.
- 24. In the event of a tie after all other criteria have been applied then the final place will be allocated randomly by way of a lottery observed by an independent person. However if the applicants in the tie are twins or other multiple births they will all be admitted.
