

Leicester Local Plan

Potential development sites questionnaire

Please refer to 'Draft development management policies' reference document before completing this questionnaire *

* Alternatively, supporting documentation and this questionnaire can be found online at consultations.leicester.gov.uk

Please use this questionnaire to comment on any of the sites mentioned in the potential development sites reference document.

It should be noted that the city council has not taken a view on any of the sites included in this consultation, and that their inclusion does not necessarily mean the council considers them as suitable for development or designation.

Once you have completed the questionnaire, please return it to any city library, the Town Hall or the customer service centre in Granby Street.

Also available as part of this consultation:

- Development management policies reference document and questionnaire
- Emerging options reference document and questionnaire
- Sustainability appraisal - development management policies reference document and questionnaire
- Evidence base (available online at consultations.leicester.gov.uk)

About you

Your contact details

Please note that we will not share your contact details with anyone else and will only use this information to respond to your comments.

By continuing to the main consultation you are agreeing to the processing of your data (including your contact details) by Leicester City Council.

Would you like us to add your details to our consultation database so we can keep you updated regarding future consultation on the new Local Plan?

Yes

No

Your name

Email address

Postal address (please include your postcode)

Please use the response boxes on the next two pages to give us your views on specific potential development sites. You can comment on as many, or as few, sites as you wish.

If you would like to comment on more than six, please use additional questionnaire forms(s).

Please ensure you quote the relevant site reference number(s) with your comment(s). The reference numbers can be found in the potential development sites reference document with the maps.
