Dear Occupier,

EGERTON AVENUE AREA– PROPOSED 20MPH SPEED LIMIT.

Leicester City Council is proposing to introduce a 20mph speed limit in the Egerton Avenue area. This is part of our commitment to improve road safety and encourage walking and cycling near to schools and in residential areas.

At present, the speed limit on these streets is 30 miles per hour and the Council is proposing to reduce this to 20 miles per hour. The proposals are shown on the map enclosed with this letter. Further information is available over the page.

Speed surveys carried out in the area have shown average speeds are already suitable for a 20mph speed limit. There are no proposals to install further traffic calming features.

The Council would like to hear your views on these matters.

A response form is included with this letter. Please send this back in the envelope provided by **Monday 30th November 2020** (no stamp is required). The response form can also be filled in on-line at <http://consultations.leicester.gov.uk/>

Your response will be included in a report on the proposals which goes to the City Mayor who will decide whether to go ahead with the proposed changes or not.

If you would like to talk with your Ward Councillors about this please contact:

Councillor Annette Byrne

Telephone: 07890 546736

Email annette.byrne@leicester.gov.uk

Councillor Manjit Kaur Saini

Telephone: 07548 145848
