Dear Occupier,

WENTWORTH ROAD AREA – PROPOSED 20 MPH SPEED LIMIT.

Leicester City Council is proposing to introduce a 20mph speed limit in the Wentworth Road Area. This is part of our commitment to improve road safety and encourage walking and cycling near to schools and in residential areas.

At the moment, the speed limit on these streets is 30 miles per hour and the Council is proposing to reduce this to 20 miles per hour. Speed surveys have showed that average speeds in the area are already suitable for a 20mph speed limit. No further traffic calming features are planned. The proposals are shown on the map enclosed with this letter. Further information is available over the page.

The Council would like to hear your views on these matters.

A response form is included with this letter. Please send this back in the envelope provided by **16th December 2019** (no stamp is required). The response form can also be filled in on-line at <http://consultations.leicester.gov.uk/>

Your response will be included in a report on the proposals which will go to the City Mayor who will decide whether or not to go ahead with the proposed changes.

If you would like to talk with your Ward Councillors about this please contact:

Councillor Ted Cassidy M.B.E.
