Dear Occupier,

### **THURNBY LODGE PRIMARY SCHOOL AREA - PROPOSED 20MPH ZONE.**

Leicester City Council is proposing to introduce a 20mph zone in the Thurnby Lodge Primary School Area. This is part of our commitment to improve road safety and encourage walking and cycling near to schools and in residential areas.

At the moment, the speed limit on these streets is 30 miles per hour and the Council is proposing to reduce this to 20 miles per hour. The Council is proposing to install traffic calming on several roads in the area where speed surveys have shown speeding issues. The proposals are shown on the maps enclosed with this letter. Further information is available over the page.

The Council would like to hear your views on these matters.

A response form is included with this letter. Please send this back in the envelope provided by 23<sup>rd</sup> September 2019 (no stamp is required). The response form can also be filled in on-line at <http://consultations.leicester.gov.uk/>

Your response will be included in a report on the proposals which goes to the City Mayor who will decide whether to go ahead with the proposed changes or not.

If you would like to talk with your Ward Councillors about this please contact:
