Dear Occupier,

WYCOMBE ROAD AREA – PROPOSED 20MPH ZONE.

Leicester City Council is proposing to introduce a 20mph Zone in the Wycombe Road Area. This proposal will involve changing the speed limit to 20 miles per hour and the installation of traffic calming features on Turner Road and Hallaton Road.

The proposed changes are part of planning conditions imposed on Kier Homes in relation to the housing development off Wycombe Road. The developer is funding the proposed scheme and there is no cost to Leicester City Council.

The proposals are shown on the maps enclosed with this letter. If you would like further information please see over the page.

The Council would like to hear your views on these matters.

A response form is included with this letter. Please send this back in the envelope provided by Monday 12th June 2017 (no stamp is required). The response form can also be filled in on-line at <http://consultations.leicester.gov.uk/>

Your response will be included in a report on the proposals which goes to the City Mayor who will decide to go ahead with the proposed changes or not.
