Dear Occupier

Brading Road and Medina Road proposed traffic calming

Leicester City Council is consulting residents regarding the installation of speed cushions on Brading Road and Medina Road. These are shown on the enclosed plan.

This is in response to a petition requesting traffic calming by residents of Brading Road. Traffic calming on Medina Road is included to discourage displaced traffic from Brading Road using Medina Road.

We would like to know your views about these proposals.

Please complete the enclosed response form and return it in the envelope provided by Monday **9th December 2019**. No stamp is required.

The response form can also be filled in on line at <http://consultations.leicester.gov.uk/>

Your response will be included in a report on the proposals which will go to the City Mayor who will decide whether to go ahead with the proposed scheme.

If you would like to talk with your Fosse ward councillors about this, please contact:
