Dear Occupier,

BRAUNSTONE FRITH PRIMARY SCHOOL AREA - PROPOSED 20MPH ZONE

Leicester City Council is proposing to introduce a 20mph zone in the area around Braunstone Frith Primary School. This is part of our commitment to improve road safety and encourage walking and cycling near to schools and in residential areas.

At the moment, the speed limit on these streets is 30 miles per hour and it is proposed to reduce this to 20 miles per hour. Leicester City Council is proposing to install traffic calming on Liberty Road and Fulford Road where speed surveys have shown speeding issues. This includes two road humps at existing pedestrian crossings on Liberty Road. No traffic calming measures are currently proposed on the other roads in the area. The proposals are shown on the maps enclosed with this letter. Further information is available over the page.

The Council would like to hear your views on these matters.

A response form is included with this letter. Please send this back in the envelope provided by Monday 20th November 2023 (no stamp is required). The response form can also be filled in on-line at <http://consultations.leicester.gov.uk/>

Your response will be included in a report on the proposals which goes to the City Mayor who will decide whether to go ahead with the proposed changes or not. If you live in the city and would like to talk with your Ward Councillors about this, please contact:

WESTERN WARD

Councillor Vi Dempster

Telephone: 07976 348325
Email: vi.dempstere@leicester.gov.uk

Councillor George Cole
